GENERAL SUBMISSION AGREEMENT

By submitting a proposal to present at the Congress, you explicitly agree:

- That all Authors participating in the presentation (presenting Authors) shall register for the Congress
- To present in the time slot and format assigned by the Program Committee.
- If accepted, to adhere to the deadlines as detailed in the acceptance notification regarding additional information, presentation materials, etc.
- To provide appropriate evidence to support any claims related to efficacy, validity, or reliability of approaches to assessment or treatment.
- To complete the required disclosures that identify any financial or non-financial relationship that may create a conflict of interest or the appearance of a conflict of interest.
- To update your disclosure information and inform COLLAGE if you develop or acquire a financial or non-financial interest related to the content of your presentation at any time before the Congress.
- To present a slide at the beginning of your presentation that discloses the financial and non-financial relationships of each Author of the session.
 - If your contribution is a poster session, you will post your disclosure information on the poster board.
- To refrain from attempting to persuade attendees to purchase or use a specific product, service, piece of equipment, or device.
- That any research in which you participated and may be discussing in this presentation is in compliance with mandated national and institutional policies and procedures pertaining to animal and/or human subjects research.
- To ensure the privacy of patients/clients by refraining from using names, photographs, or other patient/client identifiers in your presentation(s) without the patient's/client's knowledge and written authorization.
- To obtain written permission from copyright holders for the use of any previously published material in your presentation or handouts.
- To grant COLLAGE permission to photograph you and publish the photograph(s) in COLLAGE publications.

COLLAGE's acceptance of a proposal does not imply endorsement of course content, specific products, or clinical procedures.
